\*Lengfeld Flight was eliminated in 2019 when the field size was expanded and all players began competing for the Championship title beginning with a 36-hole qualifier. Previously, 64 players were accepted into the field with one qualifying round that put 32 players in the Championship flight and 32 players in the Lengfeld Flight.

The Starlet Flight is an 18-hole tournament (two, 9-hole rounds) for younger and less experienced players. The Flight cannot always be accommodated depending on the host course.
